## Stumped

While visiting in Beverly Hills one day, I noticed this unbelievably beautiful tree in the park. I came back the next day with my camera and couldn't stop shooting the tree. I was mesmerized. I went back in my library of negatives and found a picture of the cathedral of Notre Dame de Paris to combine with the tree. The entrance of the tree I shot in Petra, Jordan quite some time ago and the boats in the background were taken in Monterey.
