## “Crosswalk”

I often get asked by people what kind of drugs do I use to get my ideas.

I never work under the influence of any drug and the ideas pop up like accidents, or do they? I don't believe in pushing my personal beliefs onto anyone but I have to admit I sometimes feel blessed with the help of a superior friend guiding me in my work. Although it may seem like I am alone, I don't feel like I am.
