## **“Over my head”**

So many works of Art can be so incomprehensible. Everytime I go to the museums of Contemporary Art, I can see installations and “so called” works of Art costing an obscene amount of money. I honestly don’t understand them and I don’t get it. I decided to do a piece completely “over the top” to express my frustration about not understanding so many peculiar things about this world we live in.

*Thomas Barbèy*
