## “DRIVE-THRU GALLERY”

**I remember waiting 8 hours to see the traveling Tutankhamen exhibit in London a few decades ago. After the long wait, we were rushed through the exhibit. I have never forgotten it, which is where the inspiration for “Drive-Thru Gallery” came about.**

**Today, we are living in a fast pace world where people aren’t taking the time to enjoy special moments, such as looking at Art in the museums or even taking the time to notice all the beautiful things that surround you. I personally enjoy going to museums alone, so that I can just stand there and stare at a piece for a while, and enjoy it, because that’s what it’s all about...**
