## BEACH “BUM”

**This the second piece of the “Jörg Series.” Jörg Lemke is a very talented mime from the “Cirque du Soleil” cast of the show “KA” at the MGM. For the very first time, I took my inspiration from the more “traditional” photographers such as Herb Ritts or Mapplethorpe. Of course I had to put the usual twist, otherwise it wouldn’t be me. Although it may look like a traditional nude shot, it is not because this pose is practically impossible just like all my other pieces...**
