## Inner Beauty

With all the pressure in today's society to look good, people forget what real beauty is all about, which brings us to the concept of this piece. You have the huge gaping mouth, but as you enter it, you are walking through the beautiful pathways of Carmel and ending up at the Taj Mahal, one of the "seven wonders of the world". If you don't take a chance to know what's inside, you may be missing out on some of the most beautiful things you have ever seen. It goes back to the old saying, "Don't judge a book by its cover".
